**WRAP YOUR HAIR IN SECONDS!** To put in your hair, gather about a pencil size strand of hair and twist a couple of times. Put this strand of twisted hair in the top of the hairwrap. Hold in place with the other hand, wrap the hair in a clockwise direction from the top to the bottom.

1

**BASIC** – Use any size, any color, can wear anywhere in your hair. Wraps in seconds and is reusable! **LOOKS GREAT!**  
**BASIC TIMES 2** – Great for team colors, put in the first hairwrap, take another and wrap the wrap around the hair. →

**MULTIPLE BASIC** – Mix and match sizes and colors. Mix your school colors, favorite sports teams or coordinate with your outfit. You can be as creative and unique as you want to be!

3

**AWAY FROM FACE** – Take hair from the front, skip a space add more hair further back, twist a pencil size amount of hair, add the wrap and hair stays out of your face.

4

**SINGLE PULL BACK** (1 hairwrap) – Take 2 pieces of hair from the front, wrap around to the back, add more hair from the back to anchor in. (All 3 should add up to a pencil size width) twist a couple times, add the wrap.

WRAP AROUND FUN • REUSABLE • STYLISH • EASY

## EASY REMOVAL OPTIONS

**1** Hold the TOP of the hairwrap with thumb and index finger, PULL DOWN. This compresses instead of stretching the hairwrap. As the hairwrap compresses the wrap expands making it easier to remove without damaging hair or wrap! **For curly, tangled or matted hair it is best to use method two.**

**2** Unwrap hair in a counter clockwise direction going from the bottom up. This is the best method for curly, tangled or matted hair.

## CARING FOR YOUR WRAP

The wraps are waterproof and intended to be used over and over again. For the best care do not stretch or twist excessively. **Hairwraps are not recommended for swimming.** Swimming can tangle and mat the hair making it difficult to remove without damaging or breaking it. Hairwraps are most flexible when warm, bending at cold temperatures may damage or break the material.
